H. F.
No. 166.Bridges over
navigable
streams.

An act to authorize boards of county commissioners, city or village councils or trustees to erect fixed bridges or highways over navigable streams on certain conditions.

Be it enacted by the Legislature of the State of Minnesota :

Authority to
erect fixed
bridge.

SECTION 1. Whenever in the opinion of the board of county commissioners of any county or supervisors of any town, or the board of trustees or council of any city or village of this state, it becomes necessary, for the purpose of accommodating travel on any highway, to erect a bridge over any river or waterway within their respective jurisdictions the navigable portions of which river or waterway lie wholly within the limits of the state, such board or council may cause the erection of a fixed bridge over such river or waterway, without a draw; *provided* the clear height above the ordinary high water stage of such waterway and the clear width of the opening, shall be sufficient to accommodate the ordinary navigation of such waterway; and *provided further*, that the location and plans thereof are submitted to and approved by the chief of engineers of the United States army and by the secretary of war, before construction is commenced.
