CHAPTER 275—H. F. No. 1141.

An Act to allow the State Forestry Board to contract for donations of land within Itasca Park and permit the donors to reserve the minerals therein.

Whereas, the act "authorizing the state forestry board to make certain contracts and to provide for the payment by the State of Minnesota of the taxes on certain lands in Itasca state park" approved April 17, 1909, authorized the state forestry board to accept for the State of Minnesota donations of certain lands within the limits of Itasca state park on certain conditions therein named, but did not authorize the donors to reserve the minerals therein. Now therefore,

Be it enacted by the Legislature of the State of Minnesota:

Donors of land to reserve minerals.—Section 1. The state forestry board is hereby authorized in its contract with any donors of lands specified in the above mentioned act approved April 17, 1909, in addition to the other stipulations in said act, to allow any donor to reserve the minerals there may be in said lands.

Approved April 19, 1911.
