CHAPTER 194—H. F. No. 684.

An Act authorizing and empowering any special, independent or common school district in the State of Minnesota, to provide for, establish, conduct and maintain schools for deaf children, blind children, defective speech children and mentally subnormal children in such school districts in certain cases and appropriating money therefor.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Education of deaf children.**—Upon application of any special, independent or common school district, complying with the provisions of this act, made to the state superintendent of education, he may grant permission to such district to establish and maintain within its limits one or more schools for the instruction of deaf children who are residents of the state.

Any school district which shall maintain one or more such schools, shall through its clerk or secretary report to the state superintendent of education annually, or oftener if he so direct, such facts relative to such school or schools as he may require.

The courses and methods of instruction must comply with such requirements as may be outlined by the state superintendent of education. All schools for deaf children established under this act shall be conducted by the combined system which includes the oral, the aural, the manual and every method known to this profession; and the courses and methods of instruction shall be substantially equal or equivalent in efficiency to the course and methods of instruction established and employed in
