CHAPTER 312—S. F. 840.

An Act providing for the payment of the allotments of the state road and bridge funds for the years 1915 and 1916, to certain counties, without expenditure by such counties of any of their own funds in the construction of state roads.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Counties without funds to receive share of state road and bridge fund.**—Any county that is without funds available for the construction or improvement of state roads during the years 1915 and 1916 shall receive the share of the state road and bridge fund allotted to such county for said years though such county does not expend during such years any money from its own funds for the construction or improvement of state roads; provided, however, that the money so allotted and paid to any county, in excess of so much thereof as shall be an installment or installments of state aid for the construction or improvement of a state rural highway heretofore constructed, shall be used and expended by any such county only in the construction or improvement of roads and bridges in a manner and according to plans and specifications therefor, to be approved by the state engineer.

On the completion of any such work and the certification of the amount of the expense thereof to the Highway Commission, the latter shall pay to the county the amount thereof; provided the aggregate amount of such payments during any one of the years named shall not exceed the amount of the allotment to any such county after deducting from such allotment any installment due such county on account of the state's share of the construction or improvement of any state rural highway.

Sec. 2. This act shall take effect and be in force from and after its passage.

Approved April 24, 1915.

CHAPTER 313—S. F. No. 853.

An Act relating to the compensation of village officers in villages having a population of more than five thousand, or having an assessed valuation of more than one million, five hundred thousand dollars.

Be it enacted by the Legislature of the State of Minnesota:
