

WHEREAS, Several of the western states, including Minnesota, have employed statisticians and have begun an investigation into the reasonableness of said proposed advances, and that the cost of said investigation will be considerable, and

WHEREAS, The Railroad and Warehouse Commission has sufficient money on hand to pay its share of the cost of said investigation.

THEREFORE, BE IT RESOLVED, by the house of representatives, the senate concurring, that the Railroad and Warehouse Commission be, and the same is hereby authorized to use such money as it may need out of that which has heretofore been appropriated, not to exceed Fifteen Thousand Dollars (\$15,000.00) and which is now available, to assist in a thorough, exhaustive and intelligent investigation into the reasonableness of the proposed advances in freight and passenger rates.

Approved February 20, 1915.

JOINT RESOLUTION NO. 2.

A concurrent resolution relative to interstate drainage.

WHEREAS, there exists along the state line separating Iowa and Minnesota important areas of the very richest of agricultural lands which remain partially or wholly unproductive because the present laws provide no means for co-operative interstate drainage,

THEREFORE, BE IT RESOLVED by the house of representatives of the State of Minnesota, the senate concurring, that the governor is hereby requested and empowered to appoint a commission of three members to act in conjunction with a like commission to be appointed by the governor of Iowa, or other contiguous state, for the purpose of jointly agreeing upon a bill to be presented for enactment by the legislatures of the states concerned, said bill to provide for the formation, financing, construction and maintenance of interstate drainage projects. The commission to act without expense to the state.

Approved April 1, 1915.

JOINT RESOLUTION No. 3.

A concurrent resolution relating to fishing in the boundary waters between Wisconsin and Minnesota.

WHEREAS, The State of Wisconsin now has a law upon its statute books, governing the catching of whitefish in the Great Lakes forming a portion of its boundary, and by said law the size
