

CHAPTER 284—H. F. No. 144.

An act to amend Section 4452, General Statutes 1913, relating to the establishment of grades of grain.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Milling and bread producing qualities and dockage to be considered in establishing grades of grain.—That section 4452, General Statutes 1913, be and the same is hereby amended so as to read as follows:

Section 4452. The two boards or a majority of the six members thereof shall meet annually in joint session on or before September 15, and establish the grades of all grain subject to state inspection to be known as the "Minnesota Grades." Such grades as are thereby established and tests thereof shall be published daily for one week in a newspaper in each of the cities of Minneapolis and Duluth and all grain received at any public warehouse shall be graded accordingly. Such grades shall not be changed before the next annual meeting without the concurrence of at least five members of such boards. *In establishing the grades, in addition to the physical qualities of the grain, there shall be taken into consideration the milling and bread producing quality of all grain products used as human food.* Each of said boards shall determine the grade and dockage, if any, of all grain in all cases where appeals from the decisions of the chief inspector have been taken and for such purpose they may request fresh samples of such grain to be furnished direct to the board having the case under consideration. *Dockage shall be considered as being of two classes: first; that having value and, second, that having no value. The former to be considered and allowed for as such, and any foreign content of the grain shall not be considered in establishing the grade.* They shall also render assistance and advice to the chief inspector of grain so as to enable him to instruct the deputy inspectors of grain under his jurisdiction in accordance with the decisions and work of the board.

Sec. 2. This act shall take effect and be in force from and after its passage.

Approved April 17, 1917.
