

Section 6. Said association through its officers shall have full charge, management and control of the police pension fund herein provided for, which said fund shall be derived from the following sources: First, from the gifts of real estate or personal property, rents, or money or other sources. Second, an amount or sum equal to *one-fifth* of one mill shall be annually assessed, levied and collected by the proper officers of such city where a police relief association exists, upon each dollar of each taxable property in such city as the same appears on the tax records of such city; which said sum shall by the proper officers of said city be placed to the credit of the police pension funds, and shall not be used or devoted to any other purpose other than for the purpose of the police pension fund.

Provided, however, that if at any time the fund so raised by taxation as in this section provided, together with other resources exceed the needs of said police pension board in properly carrying out the provisions of this act, then as often as this shall occur, said sum so to be raised by taxation shall be proportionately reduced to such amount as will sufficiently carry out of the provisions of this act, then there shall only be raised by taxation such part of said *one-fifth* of one mill upon each dollar of all the taxable property in such city as shall be necessary for the proper maintenance of said fund as in this act provided.

Sec. 3. This act shall take effect and be in force from and after its passage.
