

railroad serving the industry located as aforesaid without the state of Minnesota.

Sec. 2. This act shall take effect and be in force from and after its passage.

Approved April 12, 1919.

CHAPTER 236—H. F. No. 663.

An act authorizing county boards to grant petitions of school boards to have lands adjacent to or projecting into school districts set off and made a part of such districts.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Annexation of additional territory to school districts.**—The school board of any school district in the state desiring to have land adjacent to or projecting into such district, set off as and made a part of said district, may petition the board of county commissioners of the county in which such district is located, therein setting forth the name and kind of district involved, a description of the land in question, the name of the owner thereof, and the reasons for the request, which said board upon the receipt of such petition, shall give a notice of a hearing thereon as in other cases, and upon proof of the allegations in the petition, may make its order granting the same, and like notice of such change in the boundaries of such district shall be given as in other cases.

Sec. 2. This act shall take effect and be in force from and after its passage.

Approved April 12, 1919.

CHAPTER 237—H. F. No. 727.

An act to amend Chapter 30, General Laws Minnesota 1913, relating to the use of hog cholera and other virus.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Distribution of hog cholera virus.**—That sections 1 and 2 of chapter 30, General Laws Minnesota 1913, be and the same are hereby amended so as to read as follows:

Section 1. It shall be unlawful for any person, firm or corporation to sell, give away or distribute to any person, firm or corporation any hog cholera virus unless he has taken special instruction and has passed an examination prescribed by the livestock sanitary board relative to the use of such virus, and when such examination has been successfully passed, said board shall issue a permit to such person, authorizing such person to administer such virus to animals owned by him, which permit shall be valid until revoked by the board for cause; provided, licensed veterinarians may administer such virus in infected territory only, without having taken special
