CHAPTER 412—H. F. No. 1159.

*An act to amend Sections 2896 and 2897, General Statutes 1913, relating to payment of school funds to counties by state treasurer and the apportionment thereof by county auditors.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Payment of school apportionments.—That section 2896, General Statutes 1913, be amended to read as follows:

2896. Upon receiving a copy of such apportionment, the state auditor shall draw his warrant on the state treasury, payable to the state treasurer, for the amount due each county. The state treasurer shall apply such amount *and any special state school aid due said county* in his semi-annual settlement with each county named in the apportionment, and, if the amount due any county shall exceed the amount due from such county for state taxes, shall forthwith transmit to the county treasurer the amount of such excess. There is hereby annually appropriated from the current school fund the amount of such apportionments.

Sec. 2. Apportionment by county auditor.—That section 2897, General Statutes 1913, be amended to read as follows:

2897. The county auditor *at the time of making the March and November tax settlement* of each year shall apportion among the districts entitled thereto the amount apportioned from the current school fund, and the amount received from liquor licenses, fines, estrays, and other sources, belonging to the general school fund, upon the same basis provided for the state apportionment and such money shall be used only for the payment of teachers' wages; but no district shall receive any part of the money received from liquor licenses unless all sums paid for such licenses in such district are apportioned to the county school fund, and no district shall receive in any year from the apportioned fund, exclusive of special state aid, a greater amount than that appropriated by such district from its special and local one-mill tax for that year, unless such district has levied for such year the maximum amount allowed by law for school purposes. *The auditor shall include in such apportionment all amounts received from special state aid to schools.*
