Section 1. Detachment of territory from villages containing more than 640 acres.—That section 1231, General Statutes, 1913, as amended by Chapter 477, Laws 1917, as amended by chapter 421, Laws 1919, be and the same is hereby amended so as to read as follows:

Upon the filing of said petition in the office of the county auditor of said county the board of county commissioners thereof shall, at their next meeting thereafter, fix a time and place for the hearing of such petition, which time shall not be less than thirty days thereafter, and shall direct a notice of such hearing to be issued and signed by the county auditor of said county on behalf of such board, which said notice shall state the name of such petitioner, describe the tract of land sought to be detached and the time and place of such hearing, which said notice said petitioner shall cause to be served upon the president of the village council of such village, or the recorder thereof, at least twenty days before the day of hearing, and by posting three copies of such notice on three of the most public places in said village, or in lieu of such posting said notice shall be published in the official paper of such village for two successive weeks, once in each week, in case there shall be a legal newspaper printed and published in said village.
