

for printing, advertising and binding, except the documents and reports of the state agricultural society, which shall be paid as hereinafter provided. The reports and proceedings of the state horticultural society, the state historical society and other similar semi-official state organizations shall be printed under direction of the printing commission, but the expense for such printing and publication shall be paid from the funds of the respective societies and not out of the state funds appropriated for printing. The state agricultural society shall provide for the printing of all advertising matter, premium lists, catalogues, blanks, cards, reports and all other printing necessary for the conduct of its business and purchase such furniture, supplies and equipment as may be required by it, and the expense thereof shall be paid by such society out of its own funds. All reports of state boards, commissions and officials not herein enumerated, and all printing and binding necessary for state purposes and not payable out of the appropriation for printing, may be published or procured by such bodies or officials in the same manner as other state printing upon application to the state printer, who is hereby empowered to order same and directed to keep an account of the amount and cost of such printing and binding, the same to be paid for out of the appropriations of such boards, commissioners and officials.

Class four—The laws and joint resolutions passed by the legislature.

Class five—All blanks, circulars, and printed stationery required by the state departments including all matter usually known as job printing.

Class six—All embossed and lithographed blanks and stationery, blank books, binding, etc.

Class seven—Election ballots required by law to be printed by the state, together with tally sheets, abstracts of returns and all other blanks necessary to carry out the provisions of the law pertaining to the state primary and general election.

The commission is given directionary power to subdivide any of the above named classes and receive separate bids on such subdivisions as it may designate."

Sec. 2. This act shall take effect and be in force from and after its passage.

Approved April 23, 1921.
