CHAPTER 259—H. F. No. 828

An act relating to the examination by the comptroller of books, records and accounts of cities, villages, towns and school districts.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Examination of municipal records.—A petition for an examination under the provisions of Chapter 18, General Statutes 1923, of the books, records and accounts and affairs of any city, village, town or school district shall in the case of a city, village, or town be signed by at least one freeholder for each 100 inhabitants thereof, the number of which shall not be less than ten and in the case of a school district by not less than ten freeholders. Before such petition is delivered to the comptroller it shall be presented to the County Auditor of the County in which such city, town, village, or school district is situated, who shall determine whether such petition is signed by the required number of freeholders and shall certify such fact thereon and such certificate shall be conclusive evidence thereof in any action or proceeding for the recovery of the costs, charges and expenses of any examination made pursuant to such petition.

Sec. 2. To be made upon written requests.—Upon a written request signed by a majority of the members of the governing body

of any city, village, town or school district, the comptroller shall examine the books, records, accounts and affairs of the same, but such written request shall be presented to the clerk or recording officer of such city, village, town or school district, before being presented to the comptroller, who shall determine whether the same is signed by a majority of the members of such governing body and, if found to be so signed, shall certify such fact, which certificate shall be conclusive evidence thereof in any action or proceeding for the recovery of the costs, charges and expense of any examination made pursuant to such request.

Sec. 3. Municipality to pay cost of examination.—Upon the examination of the books, records, accounts and affairs of any city, including cities of the first class, village, town or school district, as provided by law, such city, village, town or school district shall be liable to the state for the total cost and expenses of such examination, including the salaries paid to the examiners while actually engaged in making such examination, provided, that such salary charge shall not exceed \$10.00 per day. The appropriation accounts of the comptroller shall be credited with all collections made for any such examinations, and said moneys so collected are hereby appropriated for the uses and purposes of said accounts.

Sec. 4. Collection for examination.—On July first of each year the state treasurer shall certify to the state auditor all uncollected drafts for the examination of any city, village, town or school district which have remained unpaid for a period of three months from the date of such draft. Upon receipt of such list the auditor shall forthwith notify the clerk or recording officer of each city, village, town or school district, against which the state has a claim, that if the same is not paid, with interest from the date of the draft, within 90 days, the full amount thereof will be certified to the auditor for the county or counties in which such city, village, town or school district is situated, for collection by special tax levy as herein provided. Such notice shall be served by registered mail and the deposit thereof in the United States mail shall constitute due and legal service thereof upon said city, village, town or school district.

Sec. 5. Municipalities may contest claim upon notice.—On or before September first following service of said notice, any such city, village, town or school district may serve notice in writing, upon the attorney general that it desires to contest the legality of the state's claim, whereupon such claim shall be withdrawn from the state auditor, and the attorney general shall forthwith file with the clerk of the district court of the county in which such city, village, town or school district, or major part thereof, is situated, a verified statement of the state's claim, duly itemized, and serve upon the

clerk of such city, village, town or school district, by registered mail, a copy of such statement. Such city, village, town or school district may file with the clerk of such district court, within ten days after the service of such statement upon it, verified objections to the state's claim, and such district court shall thereupon summarily, in or out of term hear and determine the amount due the state, if any, for such examination, at a time and place fixed by the court therefor. The clerk of such court shall certify to the county auditor of the county or counties in which such city, village, town or school district is situated, the amount so determined by the court to be due to the state, if any.

Sec. 6. State Auditor to certify amount due.—On October first of each year, the state auditor shall certify the respective amounts due the state from the various cities, villages, towns and school districts, as shown by the list so filed by the treasurer, and not withdrawn therefrom, including interest computed to July first following, to the county auditor of the county in which any such city, village, town or school district is in whole or in part situated. The county auditor, upon receiving a certificate from the state auditor or a certificate from the clerk of court, as hereinbefore provided, shall include the amount of the state's claim, with 25 per cent added, in the tax levy for general revenue purposes of the municipality liable therefor, and such additional levy shall not be within any limitation imposed by law upon the amount of taxes which may be levied for revenue purposes. Upon completion of the June tax settlement following such levy the county treasurer shall deduct from the amount apportioned to the municipality for general revenue purposes, the amount due the state under this act, including interest, and remit the same to the state treasurer.

Sec. 7. Inconsistent acts repealed.—All acts or parts of acts inconsistent with the provisions of this act are hereby repealed.

Approved April 19, 1929.
