An act proposing an amendment to article 16 section 3 of the constitution of the state of Minnesota, relating to motor vehicle taxation.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Proposed amendment for taxation of motor vehicles.—That the following amendment to Article 16, Section
3 of the constitution of the state of Minnesota, is hereby proposed
to the legal voters of the state for their approval or their rejection,
which section when such amendment is approved shall read as
follows:

“The legislature is hereby authorized to provide, by law, for
the taxation of motor vehicles, using the public streets and high-
ways of this state, on a more onerous basis than other personal
property; provided, however, that any such tax on motor vehicles
shall be in lieu of all other taxes thereon, except wheelage taxes,
so-called, which may be imposed by any borough, city or village,
and except that the legislature may impose such tax upon motor
vehicles of companies paying taxes under gross earnings system of
taxation and upon the right to use such vehicles upon the public
highways notwithstanding the fact that earnings from such vehicles
may be included in the earnings of such companies upon which such
gross earnings taxes are computed. Any such law may, in the
discretion of the legislature, provide for the exemption from tax-
atation of any motor vehicle owned by a nonresident of the state, and
transiently or temporarily using the streets and highways of the
state. The proceeds of such tax shall be paid in to said trunk high-
way sinking fund.”

Sec. 2. The proposed amendment shall be submitted to the
electors of this state for their approval or rejection at the general
election for the year 1932, as is now provided by law for submis-
sion of amendments to the constitution of this state. The ballots
used in such election on such proposed amendment shall have
printed thereon the heading Amendment No. 1, followed by the
words:

“Amendment of Article 16, section 3 of the constitution, relating
to the taxation of motor vehicles of companies paying taxes under
the gross earnings system of taxation.”

Each elector voting upon this proposed amendment shall place

posed amendment, and his vote shall be counted in accordance with
the express will of such elector, as provided by the election laws of
