

CHAPTER 231—S. F. No. 1162

An act to amend Chapter 208, Laws of 1929, being an act relating to refunding of warrants and issuing of certificates of indebtedness in certain cities and villages.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Board not to create indebtedness.**—That Section 2 of Chapter 208 of the Laws of 1929, be and the same hereby is amended to read as follows:

“Section 2. Whenever the expense and obligations incurred chargeable to any particular fund of such city or village in any calendar year are sufficient to absorb 85 per cent of the entire amount of the tax levy payable in that year, including such amount as may remain in the fund from the levy of any prior year or years, no officer, board or official body of such city or village shall have the power and no power shall exist to create any additional indebtedness (save as the remaining 15 per cent of said tax levy is collected) which shall be a charge against that particular fund, or shall be in any manner a valid claim against such city or village, but such additional indebtedness attempted to be created shall be a personal claim against the officer or members of the municipal board or body voting for or attempting to create the same.

Whenever any department, board or commission of such village has the power to expend money, such department, board or commission shall not, during any year commencing with the year 1933, contract any indebtedness or incur any pecuniary liability, which shall be in excess of the sum that may be allotted to its department for said year by the village council. The village council shall, by resolution, prior to March 1st each year, set aside for each such department, board or commission, such sum as it deems necessary and adequate for the proper operation thereof, subject, however, to amendments of such resolution thereof as necessity may require. Any member of any department, board or commission who attempts to or does incur any expense, obligation or indebtedness against such department, board or commission, in an amount greater than the sum allotted to the department, board or commission, of which he may be a member, shall be personally liable for such excess indebtedness, expense or obligation. Provided, however, that where any board operates from funds collected by its own department, such board may use the full amount of such funds as may by law be provided, and notwithstanding the amount of the allotment made by the village council.”

Sec. 2. **May sell certificates of indebtedness.**—That Section 4 of Chapter 208, Laws of 1929, be and the same hereby is amended to read as follows:

“Section 4. At any time after the annual tax levy has been certified to the county auditor and not earlier than October 10, in any year, the governing body of such city or village may, by resolution issue and sell as many certificates of indebtedness as may be needed in anticipation of the collection of taxes so levied for any fund named in said tax levy for the purpose of raising money for any such fund, but no certificate shall be issued *and be out-standing* for any of said separate funds exceeding 60 per cent of the amount named in said tax levy, as spread by the county auditor, to be collected for the use and benefit of said fund, and no certificate shall be issued to become due and payable later than December 31 of the year succeeding the year in which said tax levy, certified to the county auditor as aforesaid, was made, and said certificates shall not be sold for less than par and accrued interest and shall not bear a greater rate of interest than six per cent per annum; each certificate shall state upon its face for which fund the proceeds of said certificates shall be used, the total amount of said certificates so issued, and the whole amount embraced in said tax levy for that particular purpose. They shall be numbered consecutively and be in the denominations of \$100.00 or a multiple thereof and may have interest coupons attached and shall be otherwise of such form and terms and may be made payable at such place as will best aid in their negotiation, *which certificates are hereby declared to be negotiable*, and the proceeds of the tax assessed and collected, as aforesaid, on account of said fund, and the faith and credit of such city or village shall be irrevocably pledged for the redemption of the certificates so issued. Such certificates shall be paid from the moneys derived from the levy for the year against which such certificates were issued. The money derived from the sale of said certificates shall be credited to such fund or funds for the calendar year immediately succeeding the making of such levy. No certificates for any year shall be issued until all certificates for prior years have been paid, except that any money derived from the sale of certificates for any one year may, if necessary, be used to redeem unpaid certificates issued in a prior year, nor shall any certificate be extended.”

Sec. 3. This Act shall take effect and be in force from and after its passage and approval.

Approved April 13, 1933.
