CHAPTER 240—S. F. No. 1471

An act authorizing School Boards of any School District in this State where there is no taxable real estate and where the obligations and liabilities of such district have been paid, to be dissolved.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Dissolution of school districts.**—Whenever all of the taxable lands within any school district in this state, however organized, have been acquired and are under the control of the state of Minnesota or the United States, and no school has been held therein for more than six months and such district has on hand sufficient money to pay and discharge all of its legal liabilities and obligations, such district may be dissolved by resolution adopted by the school board thereof, without notice, and its school property may be sold and disposed of by such board, without notice, to the state of Minnesota or the United States as such board may determine; a certified copy of the resolution of dissolution adopted by such board shall be filed with the county auditor of the county wherein such district is located: provided, however, that no such dissolution shall become effective unless all of the obligations or liabilities of such district shall have been paid and discharged and the remaining funds thereupon shall be paid to the county treasurer and the same placed to the credit of the unorganized district. If there is no unorganized district within such county, such funds shall be proratably distributed by the county treasurer to the school districts within such county adjoining such dissolved district.

Sec. 2. **To include statement of obligations in certificate.**—The school board shall attach to such certified copy of resolution dissolving such district a statement setting forth all of the obligations or liabilities and property of such district before such resolution was adopted, the disposition made of such property and receipts from the creditors of such school district showing that all such obligations or liabilities have been paid.
