Resolved by the House of Representatives, Senate concurring, that the Legislature of the State of Minnesota is inexpressibly shocked by the sudden death of Calvin Coolidge, former President of the United States. The nation has lost a great man and the people are bereft of his wise counsels.

The Legislature of Minnesota extends to Mrs. Coolidge its deepest sympathy.

The Chief Clerk of the House is hereby instructed to send a copy of this Resolution to Mrs. Coolidge.

RESOLUTION No. 3

A concurrent resolution memorializing the President of the United States and the Congress of the United States that it is the sense of the members of the Minnesota legislature that the government of the United States should perform its solemn promise and duty and place American agriculture on the basis of equality with other industries by providing an adequate system of credit, and that adequate legislation to that end should be adopted at the earliest possible date.

WHEREAS, the farmers throughout the entire United States have lost and are losing their lands and chattels through inability to refinance loans on their property because of high interest rates and low prices of agricultural commodities, and,

WHEREAS, agriculture is the basic industry of this country and there can be no sound business prosperity unless the business of agriculture is placed on a sound basis and on an equal basis with other industries, and,

WHEREAS, a bill has been introduced in the Senate of the United States known as the Farmers' Farm Relief Act, commonly called the Frazier Bill, and

A bill to liquidate and refinance agricultural indebtedness, and to encourage and promote agriculture, commerce and industry, by establishing an efficient credit system, through which the unjust and unequal burdens placed upon agriculture, during the period of price fixing and deflation, may be lightened, by providing for the liquidation and refinancing of farm mortgages and farm indebtedness at a reduced rate of interest through the Federal farm loan system, the Federal reserve banking system and the postal savings depository system and creating a Board of Agriculture to supervise the same.

AND WHEREAS, this bill is a sound economic measure designed to remedy the inequalities under which agriculture is now laboring,

NOW, THEREFORE, BE IT RESOLVED, by the House of Representatives of the State of Minnesota, the Senate concurring, that the Congress of the United States be and it is hereby urgently petitioned to enact the said bill into law, and that the President of the United States be urged to approve said measure after its passage.

BE IT FURTHER RESOLVED, that the Minnesota members of the United States Senate and the Representatives in Congress from the State of Minnesota be and they are hereby petitioned and most earnestly urged to use their best efforts to bring about a speedy enactment of said legislation.

BE IT FURTHER RESOLVED, that a duly authenticated copy of this resolution be presented to the President of the United States, to the presiding officers of the Senate and of the House of Representatives of the Congress of the United States and to each of the Senators and Representatives from the State of Minnesota in the Congress of the United States.

Approved January 16, 1933.
