

the exercise of the power of eminent domain, and such estate shall not be limited or qualified in any way by construction.

Approved February 8, 1935.

CHAPTER 8—H. F. No. 41

An act validating, ratifying, approving, confirming and declaring valid proceedings heretofore taken for the authorization and issuance of bonds by any village for the purpose of financing in whole or in part the construction of a waterworks plant or waterworks system, authorizing the completion of such proceedings and the issuance of bonds pursuant to such proceedings and declaring such bonds binding, legal, valid and enforceable obligations of such village.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Proceedings and bonds validated.—All proceedings heretofore taken for the authorization and issuance of bonds by any village of this State for the purpose of financing in whole or in part the construction of a waterworks plant or waterworks system are hereby validated, ratified, approved and confirmed and declared to be valid and of full force and effect, notwithstanding any defects or irregularities in such proceedings, and notwithstanding the fact that the maturities of the bonds proposed to be issued as stated in any proposition submitted to and approved by the voters of such village for the issuance of such bonds did not comply with the requirements as to maturities in the statutes applicable thereto; and the village council of any such village is hereby authorized to complete such proceedings and to issue bonds of any such village in an amount not exceeding the amount authorized at such election, such bonds to mature in accordance with the statutes applicable thereto, and all such bonds when delivered and paid for shall be binding, legal, valid and enforceable obligations of such village.

Sec. 2. Not to affect pending legislation.—This act shall not affect any bonds, the validity of which is questioned in any litigation pending when this act shall take effect.

Sec. 3. This act shall take effect and be in force from and after its passage.

✓ Approved February 8, 1935.
