#### CHAPTER 418—S. F. No. 497

*An act to amend Extra Session Laws of 1933-34, Chapter 46, Section 12, relating to the sale of intoxicating liquors for medicinal purposes.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Law amended.—That Extra Session Laws of 1933-34, Chapter 46, Section 12, be amended so as to read as follows:

“Sec. 12. Sale of liquor for medicinal purposes.—The provisions of this Act shall not apply to medicines as defined herein nor to industrial alcohol designed for mechanical, chemical, scientific, pharmaceutical or industrial purposes, nor to compounds or preparations containing alcohol, if such medicines, compounds or preparations are not potable as a beverage.

It shall be lawful for any duly licensed and registered pharmacist or druggist within this state to make sales of intoxicating liquor for medicinal purposes upon bona fide prescriptions by a physician, dentist, or veterinarian, written in ink, without having obtained an “Off sale” license. Such prescription shall state the name and address of the person for whom the same is prescribed, the kind and quantity of liquor, and such prescription shall be signed in ink by the physician, dentist or veterinarian issuing the same, and shall bear the date of its issuance and delivery. No more than one quart of liquor may be sold upon any one prescription, and no prescription shall be refilled more than once, nor after the expiration of one month from the date of its issuance and delivery. No physician, dentist or veterinarian shall prescribe for or issue or deliver to any person, nor shall any person receive more than one prescription for intoxicating liquor within any period of ten days. The container of intoxicating liquor so sold shall bear the prescription number.

Every prescription upon which any sale of intoxicating liquor is made, as herein provided, shall, at the time of such sale, be taken from the purchaser of the intoxicating liquor by the seller thereof, and by such seller cancelled by writing in ink across the face of such prescription over his signature, the words: “Cancelled, this..... day of....., 19....,” stating the date, and such prescriptions shall be kept by the seller until filed by him with the Liquor Control Commissioner within thirty days after such prescription has been issued.

Such pharmacist or druggist must first obtain, however, a special permit from the Liquor Control Commissioner, which permit shall be issued annually at a cost of \$5.00. Said permit shall be revoked by the Commissioner for any violations of this law. Any person applying for or obtaining a prescription under this Act must give his own true name to the physician, dentist or veterinarian and it shall be unlawful for such physician, dentist or veterinarian to knowingly insert a false name in such prescription.
