

CHAPTER 439—S. F. No. 1010

An act to amend Mason's Minnesota Statutes of 1927, Section 3773, relating to the inspection of oils and to the division of oil inspection and the dairy and food department.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Law amended.**—That Mason's Minnesota Statutes of 1927, Section 3773, be amended so as to read as follows:

"3773. **Compensation of inspectors.**—The dairy and food commissioner, in conjunction with the chief oil inspector, is hereby authorized to create not to exceed sixty-seven inspection districts in the state. In the creation of said district due consideration shall be given to important shipping centers. Said commissioner, with the advice of the chief oil inspector, is hereby authorized to appoint when necessary one deputy for each inspection district so established. He shall take such measures as he deems necessary to prevent duplication of effort by inspectors under his control and to effect economy in the administration of the inspection laws, and to that end he shall detail dairy and food inspectors to perform the duties of deputy oil inspectors as far as practicable. The deputy inspectors shall receive compensation on a graded scale based upon their qualifications, the volume of work they perform, and *tenure of employment. Such compensation shall be not less than One Hundred Dollars (\$100.00) per month during the probationary period of one year, not less than One Hundred Twenty-five Dollars (\$125.00) per month during the next succeeding four years, and thereafter not less than One Hundred Fifty Dollars (\$150.00) per month; and they shall be reimbursed for all expenses necessarily incurred by them in the performance of their official duties; such salaries to be determined by the dairy and food commissioner upon the advice of the chief oil inspector. For the purpose of effecting more efficiency and economy in the service, the chief oil inspector is authorized, whenever he finds it advantageous and practical, to detail deputy oil inspectors to inspect petroleum products in storage outside of the state at places from which such products are transferred to dealers or consumers within the state.*"

Approved April 26, 1937.
