*An act to amend Laws 1937, Chapter 355, relating to the issuance of certificates of indebtedness by certain Independent School Districts in cities of the first class.*

Be it enacted by the Legislature of the State of Minnesota :

Section 1. **Law amended.**—Laws 1937, Chapter 355, is hereby amended to read as follows :

"Section 1. **Application of act.**—This act shall apply to any Independent School District in any city of the first class, the territorial limits of which school district co-incide with the territorial limits of such city and the governing of which school district is not provided for in the charter of such city."

Section 2. **Law amended.**—Laws 1937, Chapter 355, Section 2, is amended to read as follows :

"Section 2. **School boards may sell tax levy certificates in certain cases.**—At any time after the annual tax levy of any such school district has been certified to the County Auditor, the school board of such school district may by resolution with or without advertisement for bids issue and sell as many certificates of indebtedness as they may deem necessary in anticipation of the collection of taxes

levied for any fund named in the tax levy for the purpose of raising money for any such fund. Certificates of indebtedness issued and outstanding for any of such separate funds shall not at any time exceed 75% of the amount of taxes levied for such fund remaining uncollected. No certificate shall be issued to become due and payable later than December 31st of the year succeeding the year in which said tax levy certified to the County Auditor as aforesaid was made. Said certificates shall not be sold for less than par with accrued interest and shall not bear a greater rate of interest than six per cent (6%) per annum, which interest shall be payable as provided in such resolution. Each certificate shall state upon its face for which fund the proceeds of said certificates shall be used, the total amount of certificates against such fund issued and outstanding and the whole amount *embraced* in said tax levy for that particular purpose remaining uncollected.

"They shall be numbered consecutively, be in denominations of \$100 or any multiple thereof and shall be otherwise of such forms and terms and be made payable at such place as will best aid in their negotiation.

"The proceeds of the tax *levied* and collected as aforesaid on account of said fund and the *full* faith and credit of such school district and the *Board of Education thereof, if a body corporate*, shall be irrevocably pledged for the redemption of the certificates so issued. Such certificates shall be paid in the numerical order of their issuance *primarily* from the monies derived from levies for the year against which such certificates were issued, and *if the proceeds from such levies are insufficient, they shall be paid from other funds of the district.*

"The money derived from the sale of such certificates shall be credited to such fund or funds against which issued and which shall be issued for the payment of warrants, checks or orders issued against such fund in the order in which such claims are entitled to payment as provided by law."

Section 3. **Certificates validated.**—Any certificates of indebtedness heretofore issued pursuant to Laws 1937, Chapter 355, are hereby validated and made general obligations of the district with the same effect as if they had been issued under this amendment.

Approved July 14, 1937.
