CHAPTER 116—H. F. No. 448

*An act to provide for the treatment in public sanatoria, at the expense of the state, of employees of those state institutions which are under the direction, supervision and control of the state board of control, who contract and become ill from tuberculosis while so employed.*

Be it enacted by the Legislature of the State of Minnesota:

**Section 1. Employees of state tuberculosis sanatoria to be examined before beginning employment.**—The Board of Control shall require of all new employees of state institutions under the Board of Control a clinical examination which shall include a physical examination, an X-ray examination of the lungs, and any additional special diagnostic tests for the detection of tuberculosis as set up in regulations of the State Board of Health in cooperation with the State Board of Control for the purpose of determining the presence of tuberculosis among new employees. The licensed physician and surgeon making the examination shall report in writing on a form set up by the Board of Control in cooperation with the State Board of Health to the superintendent of the institution the presence or absence of tuberculous infection and disease based upon the clinical examination.

**Sec. 2. Infected employees to be treated.**—Whenever the State Board of Control finds and determines that any state employee has contracted and become ill from tuberculosis while employed in or at any state institution which is under the direction, supervision and control of said board, with the exception of the county sanatoria under the supervision of the Board of Control, and that such employee is in need of and requires treatment in a tuberculosis sanatorium, the Board of Control shall apply for admission of such employee to the state sanatorium for consumptives or some county tuberculosis sanatorium.

The board shall pay out of funds heretofore or hereafter appropriated for aid to or maintenance of county tuberculosis sanatoria, to the state sanatorium for consumptives or the county tuberculosis sanatorium where said patient may be received, the same fee for the maintenance and care of such person as is received by said state sanatorium for consumptives or said county tuberculosis sanatorium for the maintenance and treatment of a non-resident patient.

**Sec. 3. Who are eligible.**—Only said employees who have been in direct contact with known tuberculous patients in performance of the duties assigned to them in said institutions shall be eligible for sanatorium treatment herein described.

Approved March 31, 1939.
