"Occasional" shall be construed to mean a special, individual round trip not to exceed, however, two such trips a month for any one such vehicle. *The reciprocal provisions of this act shall apply to a truck for hire engaged in the transportation of livestock and farm products, provided, that such reciprocal provision shall apply to only one truck owned or operated by any person or corporation, and provided, further, that such truck does not use the highways of this state more than twice in any week and does not travel on the highways of Minnesota from the state line for a greater distance than 50 miles. Every non-resident, including any foreign corporation carrying on business *except as herein provided* within this state and owning and regularly operating in such business any motor vehicle within this state shall be required to register each such vehicle and pay the same tax and penalties, if any, therefor as is required with reference to like vehicles owned by residents of Minnesota.

The reciprocity privileges provided by this Act shall apply also to a motor vehicle exclusively engaged in transporting commerce from a state or from any province in the Dominion of Canada exclusively upon the streets of any city or village in the State of Minnesota.
