CHAPTER 251—H. F. No. 703.

(AMENDING SECTION 131.12 MINNESOTA STATUTES 1941.)

An act relating to the education of crippled children; and amending Laws 1941, Chapter 169, Article XI, Section 12.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Law amended.**—Laws 1941, Chapter 169, Article XI, Section 12, is amended to read as follows:

Sec. 12. **Special classes for crippled children.**—Upon application made to the commissioner of education by any school district, complying with the provisions of this section and Section 13, Article IX, said commissioner may grant permission to such district to establish and maintain within its limits one or more classes for the instruction of crippled children who are residents of the state, providing there shall be not less than five crippled children of school age in each class. Nurses may be employed in connection with such classes and expenditures for this purpose may be classified as lawfully authorized expenditures for maintaining these classes. Such nurses shall be registered nurses, and shall be subject to such additional examination as the commissioner of education may require.

For the purposes of this section, any child of school age, other than one of defective hearing, speech or sight, and who is of normal mind but is deformed *or impaired* in body or limb and who cannot profitably or safely be educated in the regular classes as other children, shall be considered crippled and required to attend such classes, unless excused because of infectious disease or other conditions making attendance undesirable.

Approved April 1, 1943.

CHAPTER 252—H. F. No. 709.

An act relating to speed limits of vehicles using streets and highways, and prescribing powers of the governor.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Speed limits may be fixed by Governor.**—When requested by the President of the United States or his duly authorized representative, the governor is authorized to formulate speed regulations for vehicles using streets and highways in accordance with such rules and regulations as may be prescribed by duly authorized federal authority in order to conserve essential materials.
