

CHAPTER 46—S. F. No. 28

An act relating to state teachers colleges, authorizing contracts with the United States of America for instruction of members of its armed forces and agencies therein, and appropriating the moneys received therefrom.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. State Teachers College Board may make contracts with the United States Government for instruction of armed forces.—The state teachers college board is hereby empowered to enter into contracts, separately or jointly with other colleges, with the government of the United States and its instrumentalities for instruction of the personnel in the armed forces and governmental agencies which shall be designated by the government of the United States, in any and all of the state teachers colleges. The teachers college board is empowered to fix the compensation to be paid by the United States therefor, but such compensation shall not be less than the outlay which will be required by the state on account of the furnishing of such instruction, including maintenance, operating and salary charges. If the contract is made jointly with another college, the obligation of the state thereunder shall be stated specifically and the state shall not be liable for any default on the part of the other college nor shall the obligation of the state thereunder be increased by the default.

Sec. 2. Receipts re-appropriated.—All moneys received by the state in consideration of the giving of such instruction is hereby reappropriated to the use of the teachers college board for the purpose of carrying on such instruction.

Sec. 3.—Powers to be limited to time of war emergency.—The powers hereby conferred are limited to the duration of the present war emergency and shall cease when cessation of hostilities shall be declared by competent authority of the government of the United States.

Approved February 18, 1943.
