

Be it enacted by the Legislature of the State of Minnesota:

**Section 1. Additional tax levies in certain municipalities.**—Whenever the assessed valuation of any city, village, township or school district for any taxable year is reduced after the taxes for such year have been spread by the county auditor and whenever the mill rate as determined by the county auditor based upon the original assessed valuation is applied upon such reduced valuations and does not produce the full amount of taxes as actually levied and certified for such taxable year upon the original assessed valuations, such city, village, township or school district may include in its tax levy made following such reduction in assessed valuation, an amount equal to the difference between the total amount of taxes actually levied and certified for such taxable year upon the original assessed valuation, not exceeding the maximum amount which could be raised upon such assessed valuation as reduced, within existing mill limitations, if any, and the amount of taxes collected for such taxable year upon such reduced valuations.

**Sec. 2. To be additional levy.**—The amount of taxes so included shall be levied separately and shall be levied in addition to all limitations permitted by Mason's Supplement 1940, Section 2061, as amended by Laws 1941, Chapter 543, Section 1, as other applicable laws limiting levies in cities, villages, towns or school districts.

Approved April 20, 1943.
