CHAPTER 572—H. F. No. 1194.

(AMENDING SECTION 128.81 MINNESOTA STATUTES 1941.)

An act relating to vocational education and amending Laws 1941, Chapter 169, Article IX, Section 31.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Law amended.**—Laws 1941, Chapter 169, Article IX, Section 31, is hereby amended to read as follows:

Section 31. **Vocational aid—rules governing disbursement.**—Whenever any school district shall have established a vocational school, department, or classes in accordance with the rules and regulations established by the state board for vocational education and the plan for vocational education adopted by that board and approved by the United States office of education or other federal agency to which its functions are assigned, the state board for vocational education shall reimburse such school district for its expenditures for salaries and necessary travel of vocational teachers from federal funds and may supplement such federal funds with such state aid as it may deem desirable under such rules as it may adopt, provided, however, that the total reimbursement from federal and state funds combined shall in no case exceed three-fourths of the salaries and necessary travel expenses of such vocational teachers, and provided, further, that in the event of such funds not being sufficient to make such reimbursement in full, the state board for vocational education shall prorate the respective amounts available to the various districts entitled to receive reimbursement, *except that for the program for training of in-school youth for*

farm work, the state board for vocational education may reimburse each school district from federal and state funds for full salaries and necessary travel expenses of instructors for the cost of such program. All instruction may be given at the place of abode of the pupil, and adults may be given instruction in adjoining or nearby districts.

In like manner the state board for vocational education shall have power to reimburse other governmental agencies for expenditures for salaries and necessary travel expenses of vocational teachers from federal funds available to an amount not to exceed one-half of such salaries and necessary travel expenses, provided such governmental agencies conduct such classes under public supervision or control in accordance with plans approved by said board.

Approved April 22, 1943.
