

RESOLUTION NO. 1—HOUSE CONCURRENT
RESOLUTION NO. 2 PAYING TRIBUTE TO
MEMBERS OF THE ARMED FORCES.

WHEREAS, it is altogether fitting and proper since our nation is now a most powerful participant in the greatest war of all time; and in view of the fact that from the Senate and House of Representatives some of our members are now in military uniform taking their part in the battle of human freedom; and in view of the further fact that this special session of the Legislature of Minnesota has just enacted into law the Soldiers' Vote Bill, giving to those in our armed forces the opportunity to vote in the elections of 1944;

NOW, THEREFORE, BE IT RESOLVED that the respective bodies of the Senate and House of Representatives stand in respectful attention for one minute of silent prayer as a sacred and solemn tribute to the memory of all those heroic men and women who, on land and sea and in the air, have already made the supreme sacrifice on the altar of war; for those brave and courageous men now fighting on the battle fields; for all the wounded and bleeding and dying men; for all those enduring agony and torture in enemy concentration and prison camps; for all the loved ones at home who sorrow in this dark hour of human history; for this global war to soon cease; and with the help of Almighty God for a just and lasting peace among all the nations of the world.
