An act relating to the State Employees Retirement Fund, providing for a tax levy and appropriating the proceeds therefrom; and amending Minnesota Statutes 1941, Section 352.04, as amended by Laws 1943, Chapter 622, Section 3.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1941, Section 352.04, as amended by Laws 1943, Chapter 622, Section 3, is amended to read as follows:

352.04. Payments into retirement fund. Subdivision 1. From and after July 1, 1945, members shall pay into the retirement fund five per cent of the compensation paid them including compensation for overtime and any allowance for
maintenance of housing, provided, however, that those mem-
bers now paying into the retirement fund 5 1/2 per cent and
6 per cent of the compensation paid them including compen-
sation for overtime and any allowance for maintenance or hous-
ing shall continue to pay at the rate of 5 1/2 per cent and 6 per
cent respectively, but no person becoming a member after
June 30, 1945, shall pay more than 5 per cent. Such payments
shall be made by deduction thereof from salary. No deduction
shall be made from salaries on any amount thereof in excess
of $300.00 per month. The head of each department is hereby
required to cause such deduction to be made from salaries on
any amount thereof in excess of $300.00 per month. The head
of each department is hereby required to cause such deduction
to be made from the salary of each member of the retirement
association on every payroll abstract and to approve one
voucher payable to the state treasurer for the aggregate
amount so deducted from the salaries covered by the payroll
abstract; provided, that deductions from salaries of employees
paid direct by any department, institution, or agency of the
state shall be made by the officer or employee authorized by
law to pay such salaries, and remitted by him to the secret-
ary of the retirement association with a statement showing the
amount of each of such deductions and the names of the em-
ployees on whose account the same have been made.

Every department, bureau, division, commission, commit-
tee, or board which functions regularly as a permanent unit
of the state government, shall pay to the state treasurer, for
the uses and purposes of the state employees retirement fund,
in the manner and at the times hereinafter specified, the
amount of money hereinafter provided for, which payments
shall be credited to the retirement fund by the state treasurer.

Every such unit of the state government which is wholly
or substantially financially self-sustaining by reason of income
or revenue derived from its own activities shall, beginning
with the state's fiscal year ending June 30, 1940, and continu-
ing with each fiscal year thereafter, allocate to the state em-
ployees retirement fund an amount equal to one-half of the
total amount of superannuation annuities paid during the fis-
cal year to employees who were retired by such unit of the
state government. Within 60 days after the end of each
fiscal year, the secretary of the state employees retirement
association shall compute the amounts due from such units
of state government and certify the same to the state audi-
tor who shall immediately transfer the amounts involved
from the unit accounts to the state treasurer to the credit
of the retirement fund, and notify the unit head of such
transaction and this authority of the state auditor to transfer shall include all sums not transferred prior to the passage of this act.

The moneys necessary to provide for contributions to the retirement fund by the various units of the state government which are wholly or substantially financially self-sustaining by reason of income or revenue derived from their own activities are hereby appropriated for such purpose out of any funds derived by such units of government as income or revenue from their own activities.

If an employee has worked in departments other than the one in which he was last employed, that portion of the annuity herein provided to be paid by the department shall be paid by the department where he was last employed.

All such salary deductions and the contributions herein provided by the state shall be credited to a fund to be known as the retirement fund and all interest and other income of the association shall be credited to this fund. The retirement fund shall be disbursed only for the purposes herein provided. The expenses of the association and the annuities herein provided upon retirement shall be paid only from such fund. Under the direction of the retirement board the head of each department shall furnish such information and keep such records as the board may require for the discharge of its duties.

The state auditor is hereby authorized and directed to cause to be levied for the year 1945 and each year thereafter upon all taxable property in the state, in the manner in which other taxes are levied, three-tenths of one mill. The proceeds of such tax levy are hereby appropriated to the state employees retirement fund.

Sec. 2. This act shall take effect July 1, 1945.

Approved April 23, 1945.
