

balance in said relief association's special fund, at the time the levy is made, is less than \$500,000, as determined by said association's board of trustees, then it shall be the duty of said city's governing body to increase the rate of said tax levy herein provided to *one mill*. The tax so levied shall be transmitted with other tax levies to the auditor of the county in which such city is situated, and by said county shall be collected and payment thereof enforced when and in like manner as state and county taxes are paid.

[69.361] Sec. 2. **Payroll deductions.** In addition to the moneys in the special and general fund of said association, or provided to be raised therefor under existing laws for the payment of pensions and other benefits, revenues from the following sources shall be paid to said special and general fund:

(1) It shall be the duty of the City Clerk, Treasurer, or other disbursing officer of such city to deduct each month from the monthly pay of each member of the relief association, a sum equal to two and one-half per cent of the said monthly pay but not to exceed two and one-half per cent of the basic monthly pay of a first grade fireman, and pay the same to the treasurer of the relief association for credit to the special fund of said association.

(2) It shall be the duty of the City Clerk, Treasurer, or other disbursing officer of such city to deduct each month from the monthly pay of each member of the relief association, a sum equal to one-half of one per cent of the said monthly pay but not to exceed one-half of one per cent of the basic monthly pay of a first grade fireman, and pay the same to the treasurer of the relief association for credit in the general fund of said association.

Approved March 27, 1947.
