

WHEREAS, The rural population of Minnesota is anticipating the time when rural Minnesota will be 100% electrified, and,

WHEREAS, Rural electrification has proved a good investment to the government by reason of the fact that it has met its obligations, both principal and interest, in advance;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, the Senate concurring, that the Congress of the United States shall continue to provide funds for the expansion of rural electrification where such construction is economically feasible and likewise to refrain from passing any legislation adverse to the Rural Electrification Program, and,

RESOLUTION No. 2—H. F. No. 418

A joint resolution memorializing the legislature of the Sovereign State of South Dakota to defeat proposals seeking to discriminate against non-resident sportsmen.

WHEREAS, it is understood that proposals are before the Legislature of the Sovereign State of South Dakota, which, if approved, would prohibit residents of Minnesota from enjoying the privileges of hunting migratory water fowl accorded to residents of South Dakota; and,

WHEREAS, it has been the policy of the State of Minnesota and its people to welcome non-resident guests, including residents of South Dakota, so that they may enjoy the abundant natural resources, the opportunities for outdoor recreation, and the bountiful fishing as well as hunting afforded by Minnesota; and,

WHEREAS, the Legislature of the State of Minnesota desires to see that friendly policy continued; and,

WHEREAS, proposals before the Legislature of the State of South Dakota are resulting in a demand for retaliatory measures in this state and it is feared that demands for such

retaliation might become embarrassing and oppressive if the South Dakota Legislature gives serious consideration to discriminatory proposals of this nature.

NOW, THEREFORE, BE IT RESOLVED by the Legislature of the State of Minnesota, in regular session assembled, that we respectfully request the Legislature of our neighboring sister state of South Dakota to discard any proposals before it which would result in discriminating against the residents of this state seeking to enjoy the opportunities of hunting migratory water fowl which may be afforded to the residents of South Dakota.
