CHAPTER 452—H. F. No. 1671

[Coded as Section 93.41]

*An act relating to state lands and minerals providing for the disposal of certain low grade iron-bearing materials for construction or maintenance purposes.*

Be it enacted by the Legislature of the State of Minnesota:

[93.41] Section 1. **Certain materials, used for construction or maintenance purposes.** Subdivision 1. In case the commissioner of conservation shall determine that any paint rock, taconite, or other iron-bearing material belonging to the state and containing not more than 35 per cent dried iron by analysis is needed and suitable for use in the construction or maintenance of any road, tailings basin, settling basin, dike, dam, bank fill, or other works on public or private property, and that such use would be in the best interests of the public, he may authorize the disposal of such material therefor as hereinafter provided. Not more than 25,000 cubic yards of 50,000 gross tons of such material shall be so disposed of from any single mining unit or from any quarter-quarter-section or government lot of state land not included in a mining unit.

Subd. 2. If such material is subject to an existing state iron ore mining lease, the commissioner, by written agreement

with the holder of the lease, may authorize the use of the material on the leased premises or on any state-owned lands used in connection therewith, for any purpose specified in subd. [subdivision] 1 that will facilitate the mining and disposal of the iron ore therein on such terms as the commissioner may prescribe consistent with the interests of the state, or may authorize the holder of the lease to dispose of the material otherwise for any purpose specified in subd. [subdivision] 1 upon payment of an amount therefor equivalent to the royalty that would be payable under the terms of the lease if the material were shipped or otherwise disposed of as iron ore, but not less than the applicable minimum rate prescribed by section 93.20.

Subd. 3. If such material, whether in the ground or in stockpile, is not subject to an existing lease, the commissioner may issue leases for the taking and removal thereof for the purposes specified in subd. [subdivision] 1 in like manner as provided by section 92.50 for leases for the taking and removal of sand, gravel, and other materials specified in said section, and subject to all the provisions thereof, so far as applicable; provided, that the amount payable for such material shall be at least equivalent to the minimum royalty that would be payable therefor under the provisions of section 93.20.

Approved April 18, 1951.
