CHAPTER 15—H. F. No. 161

An act relating to special classes for blind children; amending Minnesota Statutes 1949, Section 131.09.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1949, Section 131.09, is amended to read:

131.09 Blind Children, Special Classes. Upon application made to the state commissioner of education by any school district, complying with the provisions of this section and section 128.13, the commissioner may grant permission to such district to establish and maintain within its limits one or more classes for the instruction of blind children *over four years of age* who are residents of the state.

Permission to establish such special classes shall be granted to aforesaid districts which have an actual attendance of not less than five blind children of school age, who may come under the provisions of this section. When the parents or guardians of eight blind children of school age in any one district shall petition the school board in writing for the establishment of such class and actually enroll these children in the school of the district, it shall be mandatory upon such district to establish such special class, subject to approval by the com-

missioner of education, as required herein, and nothing in this section shall be construed as preventing parents of any such children from sending their children to the Minnesota Braille and sight-saving school, if they so elect.

For the purpose of this section, any person of sound mind, who by reason of defective sight, cannot profitably or safely be educated in the public school as other children, shall be considered blind, and, after the establishment of such classes by any school district, the compulsory school laws of this state shall be deemed to apply to such children of school age.
