

shall appoint at packing plants, slaughtering houses, and concentration points where the average daily number of livestock slaughtered or handled is 250 head or more, such weighers as may be necessary for weighing livestock, provided that no weighers shall be appointed at packing plants or slaughtering houses at which the only livestock slaughtered or handled is purchased or acquired at a public stockyard as defined by section 225.01. The commission shall prescribe and follow such reasonable regulations as it deems necessary for determining such daily average. Such weighers shall weigh all livestock coming to these places for sale and keep a record thereof. Upon request the weighers shall furnish the interested parties a certificate setting forth the number of animals weighed and the actual weight of such animal or animals. Such certificate shall be prima facie evidence of the facts therein certified. The scales at all such places on which livestock is weighed shall be constructed and maintained in accordance with requirements of the department of weights and measures, and be tested up to the maximum draft that may be weighed thereon by the department of weights and measures at least once every 30 days.

Approved April 3, 1951.
