

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Liquor store net profits, pay bond.** Subdivision 1. If the voters in any village operating an off sale municipal liquor store, by a vote of 60 percent of those voting at the election, vote at a general village election in favor of contributing from the net earnings of such store each year not more than 75 percent thereof to the village sinking fund to be used to pay bonds issued by the village for the purpose of financing the cost of acquiring, constructing, and equipping a municipal hospital in the village and the labor and materials in connection therewith, the council of such village may appropriate each year, within the limits so authorized, such sums as it deems necessary for these purposes.

Subd. 2. The provisions of Subdivision 1 do not apply to any village wherein the average of net earnings of the municipal off sale liquor store for the three fiscal years last preceding is less than \$8,000.

Subd. 3. The provisions of subdivision 1 do not apply to any village which has held an election at any time within six months prior to the date this act becomes effective and at least 60 percent of the voters of such village at that election voted in favor of authorizing the council to make annual appropriations for the purposes set forth in subdivision 1.

An act relating to wild animals and to the diversion of the waters of Pine Creek in the province of Manitoba into the Roseau River Game Refuge and public hunting grounds, amending Laws 1949, Chapter 633.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Laws 1949, Chapter 633, Section 1, is hereby amended to read:

Section 1. **Province of Manitoba, appropriation relating to Roseau Game Refuge.** Upon the *undertaking*, under authority of the department of public works or other authorized agency of the province of Manitoba of a *project for construction of the dams, ditches, control structures, and other works necessary for the diversion of the waters of Pine Creek in said province into the Roseau River Game Refuge and Public Hunting Grounds in the state of Minnesota in accordance with plans and specifications approved by the commissioner of conservation of this state as effective and satisfactory for the intended purposes, the commissioner* is hereby authorized to pay to the authorized officer of said province the cost of such diversion works, not exceeding \$100,000, *which payment may be made upon progress estimates submitted by project engineers from time to time during the course of construction or upon completion thereof, certified by the provincial authority in charge of the project and approval by the commissioner of conservation of this state, or in such other manner as he may determine. Such payment shall be made from funds otherwise appropriated and made available for said Roseau River Game Refuge and Public Hunting Grounds. The commissioner of conservation may enter into an agreement with the department of public works or other authorized agency of the province of Manitoba regarding the construction of said project and payment of the cost thereof in accordance with the provisions of this act.*

Sec. 2. *All acts and parts of acts inconsistent herewith, including the provisions of Laws 1939, Chapter 431, and acts amendatory thereof, are hereby superseded so far as necessary to give effect to the provisions hereof.*

Approved April 4, 1951.
