Be it enacted by the Legislature of the State of Minnesota:

Section 1. Validation. In all cases where any school district has been created by reorganization pursuant to Minnesota Statutes 1949, Sections 122.40 to 122.54, and has thereafter consolidated with one or more school districts in another county to form a joint school district and has adopted proceedings and has held an election upon the issuance of bonds for school purposes in an amount not exceeding \$430,000 and more than 80% of the voters of such district voting at such election have voted in favor of the issuance of bonds, all proceedings are hereby legalized and validated notwithstanding any defect in such proceedings relating to the reorganization or consolidation of such district or in the election for the issuance of bonds, including any failure therein to use the correct corporate name of such district. of and Counties,"
inserting in the first blank the name of any incorporated village or city located within the district, in the second blank the number of the original district whose territory included any such city or village and in the last two blanks the names of the counties in which the existing district is located. Every such district shall be a district separate and distinct from the original districts included in the reorganization and in the consolidation and no indebtedness of such original districts shall be indebtedness of the reorganized district unless such indebtedness is assumed by such district in the manner provided by law.

Sec. 2. Remedial. It is expressly found and determined that this act is remedial in nature, being necessary to protect the welfare and financial credit of such school districts and this act shall be in full force and effect from and after its passage.

Sec. 3. Application. This act shall not apply to or affect any action or appeal now pending questioning the validity of any such proceedings.
