Be it enacted by the Legislature of the State of Minnesota:

105.44 Subd. 8. **Permit to irrigate agricultural land.** When an application for permit to irrigate agricultural land from public waters is made, a general statement in the application of the purpose of the proposed use of public waters and the acreage to be irrigated shall be sufficient compliance with the requirements of Subdivision 1 of this section with respect to maps, plans and specifications, unless the Commissioner reasonably may require additional specified information within ten days of the filing of the application.
