

any motor vehicle in intrastate commerce within this state shall be required to register each such vehicle and pay the same tax and penalties, if any, therefor as is required with reference to like vehicles owned by residents of Minnesota.

The reciprocity privileges provided by sections 168.18 to 168.23 shall apply also to motor vehicles exclusively used as school buses and not for hire.

Approved April 13, 1951.

CHAPTER 360—H. F. No. 669

An act relating to weights and measures and the collection of fees to cover the cost of weighing livestock; amending Minnesota Statutes 1949, Section 239.13 and Section 239.14.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1949, Section 239.13, is amended to read:

239.13 Packing plants, weighers. The commission shall appoint at packing plants, slaughtering houses, and concentration points where the average daily number of livestock slaughtered or handled is 500 head or more, and the commission may appoint at packing plants, slaughtering houses, and concentration points, on application from such packing plant, slaughtering house, or concentration point, where the average daily number of livestock slaughtered or handled is 250 head or more, but less than 500 head, such weighers as may be necessary for weighing livestock, provided that no weighers shall be appointed at packing plants or slaughtering houses at which the only livestock slaughtered or handled is purchased or acquired at a public stockyard as defined by section 225.01. The commission shall prescribe and follow such reasonable regulations as it deems necessary for determining such daily average. Such weighers shall weigh all livestock coming to these places for sale or slaughter, unless the same has been previously weighed by state weighers, and keep a record thereof. Upon request the weighers shall furnish the inter-

ested parties a certificate setting forth the number of animals weighed and the actual weight of such animal or animals. Such certificate shall be prima facie evidence of the facts therein certified. The scales at all such places on which livestock is weighed shall be constructed and maintained in accordance with requirements of the department of weights and measures, and be tested up to the maximum draft that may be weighed thereon by the department of weights and measures at least once every 30 days.

Sec. 2. Minnesota Statutes 1949, Section 239.14, is amended to read:

239.14 Fees. The commission shall prescribe the fee necessary to cover the cost of such weighing, to be assessed and collected from the seller in such manner as the commission may prescribe; provided, that the fee assessed be the same, and the manner of collection thereof be uniform at all markets, including the public terminal livestock market, in the State at which the average daily number of head of livestock bought and sold is 250 or more; and provided, further, that if at any location where weighing is performed in accordance with this act and the total annual fees collected are insufficient to pay the cost of such weighing, the annual deficit shall be assessed and collected against the buyer or buyers of the livestock at such location or locations in such manner as the commission may prescribe. All monies so collected shall be deposited in the state treasury and known as the livestock weighing fund, and shall be paid out only on the order of the commission and the auditor's warrant.

Approved April 13, 1951.

CHAPTER 361—H. F. No. 728

An act relating to wild animals, to licenses for the taking of deer with bow and arrow and other licenses for the taking of wild animals, to the tagging and sealing of deer taken by bow and arrow, to the seasons for taking deer by bow and arrow and firearms, to the seasons for taking big game and otherwise providing for the taking, transportation and possession of big game, and eliminating the sportsmen's license;
