

tion to the registration tax required by law, the sum of \$2.50 for such special license plates, and at the time of delivery of such special license plates the applicant shall surrender to the registrar the current license plates issued for such motor vehicle. This provision for the issue of special license plates shall apply only if the applicant's passenger automobile is already registered in Minnesota so that the applicant has valid regular Minnesota plates issued for that passenger automobile under which to operate it during the time that it will take to have the necessary special license plates made. And the registrar may make such reasonable regulations governing the use of such special license plates as will assure the full compliance by the owner and holder of such special plates, with all existing laws governing the registration of motor vehicles, the transfer and the use thereof. When the ownership of the motor vehicle for which such special license plates have been furnished by the registrar, changes from one person to another, the special license plates herein authorized shall be promptly removed from the motor vehicle by the seller and returned to the registrar, at which time the seller or the buyer of such motor vehicle shall be entitled to receive license plates for such motor vehicle as provided in Section 168.15.
