Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1949, Section 426.05, is amended to read:

**426.05 Wheelage tax.** Any borough, city, or village may impose an annual wheelage tax upon motor vehicles using the public streets or highways, provided that:

(1) No wheelage tax imposed by any borough, city, or village shall exceed a sum equal to 20 per cent tax imposed by the state in lieu of all other taxes, except such wheelage tax, upon motor vehicles using the public streets or highways; provided, however, that the governing body of any city of the first class now or hereafter having a population of 450,000 inhabitants or over may impose such wheelage tax in an amount not to exceed \$15 for trucks and \$10 for other motor vehicles; and providing further, that any city of the first class which has a population of not more than 150,000 inhabitants may impose such wheelage taxes on trucks and other motor vehicles in an amount not exceeding 25 per cent of the state tax on such vehicles, but no such tax shall exceed \$50 on any one truck and \$5.00 on any other vehicle;

In any city of the first class of over 450,000, the imposition of such tax shall not be effective until approved by a majority of the people voting on the tax at a general or special election after submission to them by the governing body, and shall not continue for more than five years after such approval.
