

mixed, such greater possession limit is permitted. Game fish shall include all fish except sunfish or blue gill, crappies, rock bass and white bass, rough fish, whitefish and minnows.

Sec. 3. Minnesota Statutes 1949, Section 101.47, is amended to read:

101.47 **Overcrowded lakes.** *Subdivision 1.* The commissioner of conservation is authorized to establish a list of lakes and rivers not including more than six in any one county, or more than 100 at any one time in the state, which lakes or rivers have been found by the director of game and fish to contain an unbalanced fish population or to contain species of fish which by overcrowding have become stunted. The seasons, limits and methods of taking fish from the lakes and rivers so listed may be prescribed by the commissioner by order duly published in the county where any such lakes and rivers lie. Such regulations may be changed from time to time by similarly published order, and within the limitations hereby prescribed, the list of lakes and rivers herein provided for may be changed or amended from time to time in the discretion of the commissioner.

*Subd. 2.* *The commissioner of conservation, upon recommendation of an area conservation supervisor of the division of game and fish, may authorize year around fishing for sunfish or blue gill and crappies in any or all lakes of this state.*
