

trict are at least 33 $\frac{1}{3}$ percent of current market values according to the report of the equalization aid review committee.

(c) the district is not entitled to state aid under provisions of Minnesota Statutes 1953, Section 128.22.

(d) the district has a bonded debt to the maximum allowed by law.

Sec. 3. Tax levy. When the county Board determines that one or more school districts have qualified under section 2 hereof, the county board may levy an annual tax of one half mill on all taxable property in each county described in section 1. The tax shall be spread and collected as are other county taxes and the proceeds of the tax shall be annually distributed among the school districts qualified under this act. Distribution shall be made to the districts in accord with their minimum essential building needs as determined by the county board.

Sec. 4. Special county aid, use limited. Special county aid received by a district under this act shall be used exclusively for construction of school building. The authority granted hereunder shall expire on May 1, 1957.

Approved April 25, 1955.

CHAPTER 824—H. F. No. 1305

[Not Coded]

An act relating to public swimming places in certain counties.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Ramsey county, swimming places. No person, firm, corporation or association shall operate a place for swimming open to the public at which a fee is charged, in any county of this state which contains a city of the first class having a population of over 250,000, but less than 500,000 unless the swimming place is protected at all times when swimming is permitted, by a life guard trained in life saving methods and artificial respiration.

Sec. 2. Violations, penalties. Any person violating this act is guilty of a misdemeanor.

Approved April 25, 1955.
