The failure or refusal of the advisory committee, if there be one, to make a recommendation promptly shall be deemed a negative recommendation. If funds are not available to retire any such certificate at maturity, the same may be refunded by the issuance of new certificates or may be extended by agreement with the holders there-

Whenever ten positions which may have but need not have the same classification or salary become vacant in a group, one of the ten positions in the group shall become a surplus vacant position within the prohibition first above set forth and shall not be filled. Any state officer or head of a state department or agency or division of either created by law may fill any nine of the ten vacancies in a group at any time and if it is necessary to lay off a person appointed to fill one of the ten positions in a group, the vacancy created thereby shall become the surplus vacant position in the group, but shall not then be a vacancy in any other group of vacant positions.

Subd. 2.
