Section 1. [1.141] **Official state flag.** [Subdivision 1.] The design of the state flag as proposed by the legislative interim commission acting under Laws 1955, Chapter 632, is adopted as the official state flag.

Sec. 2. [Subd. 2.] The secretary of state shall secure and file a photograph of the state flag as adopted by this act. He shall also secure and retain custodial control over the sample design flag of the commission for use by the public for copy purposes.

Sec. 3. [Subd. 3.] The design of the flag shall conform substantially to the following description: The staff is surmounted by a bronze eagle with outspread wings; the flag is rectangular in shape and is on a medium blue background with a narrow gold border and a golden fringe. A circular emblem is contained in the center of the blue field. The circular emblem is on a general white background with a yellow border. The word MINNESOTA is inscribed in red lettering on the lower part of the white field. The white emblem background surrounding a center design contains 19 five pointed stars arranged symmetrically in four groups of four stars each and one group of three stars. The latter group is in the upper part of the center circular white emblem. The group of stars at the top in the white emblem consists of three stars of which the uppermost star is the largest and represents the North Star. A center design is contained on the white emblem and is made up of the scenes from the great seal of the state of Minnesota, surrounded by a border of intertwining *Cypripedium Reginae*, the state flower on a blue field of the same color as the general flag background. The flower border design contains the figures 1819, 1858, 1893.

The coloring is the same on both sides of the flag, but the lettering and the figures appear reversed on one side.
