Be it enacted by the Legislature of the State of Minnesota:

Section 1. Special Laws 1889, Chapter 351, Section 23, is amended to read:

Sec. 23. **Attachment, replevin, garnishment.** Proceedings by attachment or replevin in said court, shall be conducted as in the district courts of this state; provided, that the bonds required in such proceedings shall be executed with sufficient sureties and be in double the amount claimed in attachment, and not less than the sum of two hundred and fifty (250) dollars, or in double the value of the property claimed in replevin, and all bonds required or allowed in such proceedings shall be approved by one (1) of the judges of said court.

The garnishment summons may be served either by an officer or any person not a party to the action, at any place within the State of Minnesota, and the service shall in all cases be personal. Notwithstanding any other law, such service shall become null and void and ineffective for any purpose unless not later than three days after such service the original or a copy of the summons and complaint in the main action between the parties is filed in the office of the clerk of said court. Any judge may issue an order ex parte dismissing a garnishment and discharging the garnishee upon a showing by certificate of the clerk that the summons and complaint have not been filed within the period of time herein required. The disclosure of the garnishee shall be made and all further proceedings had in the same manner as if the proceedings were in the district court, but the summons shall require disclosure within ten days after service, and service upon the defendant shall be made not later than ten days after the service on the garnishee.
