CHAPTER 530—H. F. No. 191

An act relating to the maintenance of bridges on county roads; amending Minnesota Statutes 1953, Section 164.28, Subdivision 1.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1953, Section 164.28, Subdivision 1, is amended to read:

164.28 **Maintenance of bridges on county and town roads.** Subdivision 1. **Duty of county board.** It shall be the duty of the county to reconstruct, repair, and maintain all bridges on county roads. In case any bridge on a county road is totally wrecked or destroyed and the county charged with the duty of reconstructing, repairing, and maintaining such bridge has not sufficient money in its road and bridge fund to defray the cost and expense of reconstructing, repairing, and maintaining such bridge, the county board may borrow money therefor by the issuance of certificates of indebtedness, which certificates shall be payable in not more than five years from the date thereof and bear interest at not to exceed six percent per annum. Such certificates shall be sold to the highest bidder. They shall not be sold for less than par and accrued interest, if any, and the principal and interest thereof shall be paid from the road and bridge fund.

Sec. 2. This act takes effect on July 1, 1957.

Approved April 20, 1957.

CHAPTER 531—H. F. No. 198

An act relating to interstate bridges, the integration of such bridges into the highway system; amending Minnesota Statutes 1953, Section 164.04.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1953, Section 164.04, is amended to read:

164.04 **Interstate bridge as part of highway system.** When any trunk highway, *county-state aid highway or municipal-state aid street* of this state leads to and connects with any such interstate bridge so that such bridge is essential in order to provide a continuous passage from any such highway of this state to any highway constituting part of the highway systems of any adjoining state every such interstate bridge,
