Sec. 7. [269.27] Revenues, may be used, tax levy. Each and every political subdivision is hereby authorized and directed to pay its obligations under this act from moneys collected from taxes or other revenues. Each and every political subdivision may include in its tax levy the amount necessary to pay such obligations. If the taxes authorized to be levied under this section cause the total amount of taxes to exceed any limitation whatsoever upon the power of a political subdivision to levy taxes, such political subdivision may levy taxes in excess of the limitation in such amount as is necessary to meet the obligations under this act. The governing body of a political subdivision, for the purpose of meeting its liabilities under this act in the event of a deficit, may issue its obligations payable in not more than two years, in an amount which may cause its indebtedness to exceed any limitation without an election and may levy taxes to pay therefor.
