Be it enacted by the Legislature of the State of Minnesota :

Section 1. Minnesota Statutes 1953, Section 242.38, is amended to read :

242.38 Money of wards placed in youth conservation ward fund. *The youth conservation commission shall have the care and custody of all moneys belonging to wards thereof which may come into its hands, keep accurate accounts thereof, and pay them out under rules and regulations prescribed by law, or by the commission, taking vouchers therefor. The officer charged with the custody of such funds shall give a bond in such amount as the commission may require, conditioned to safely keep and account for such funds. All such moneys received by any officer or employee shall be paid to the person having charge of such funds forthwith. Such officer, at the close of each month, or oftener if required by the commission, shall forward to the commission a statement of the amount of all moneys so received and the names of the wards from whom received, accompanied by his check for the amount, payable to the state treasurer. On receipt of such statement, the commission shall transmit the same to the state auditor, together with such check, who shall deliver the same to the state treasurer. Upon the payment of such check, the amount shall be credited to a fund to be known as "Youth Conservation Ward Fund". All such funds shall be paid out by the state treasurer upon vouchers duly approved by the commission as in other cases. The commission may permit a contingent fund to remain in the hands of the officers charged with the custody of such funds from which necessary expenditures may from time to time be made.*
