

each such location and for each such mobile mechanical unit. The license shall be \$50 in the case of each location but in the case of mobile units each such unit owned and operated by any one distributor shall be licensed at a rate of \$50 for the first unit and \$25 for each such additional mobile unit. The license shall expire on June 30 of each year. Each licensee shall furnish the commissioner with a confidential written statement of the tonnage of each grade of fertilizer material sold by him in this state in his blending and mixing operation. Said statement shall cover the semiannual periods ending June 30 and December 31 of each year and shall be filed with the commissioner not later than 30 days (which may be extended on valid reason therefor an additional 30 days, on written request to the commissioner) after the close of each semiannual period. In lieu of the guaranteed analysis the licensee must furnish to each and every purchaser and consumer in written or printed form, an invoice or delivery ticket showing the net weight and guaranteed analysis of each and every one of the materials used, which shall accompany delivery.

The commissioner is authorized and empowered to cancel the license as herein provided upon satisfactory evidence that the licensee has used fraudulent and deceptive practices in the evasions or attempted evasions of the provisions of this section; provided that no license shall be revoked or refused until the licensee shall have been given a hearing by the commissioner.

Sec. 3. *This act becomes effective July 1, 1959.*

Approved April 24, 1959.
