There is hereby cancelled into the general revenue fund all money in the possession of the commissioner of public welfare found upon or procured from the sale of personal property of former members of the camp for Homeless Men operated under the authority of said department.

All receipts from maintenance charges established by the Department of Public Welfare at the institutions under its control and supervision shall be deposited in the state treasury and made available to supplement the appropriations made by this act for current expenses at each institution having such receipts. Such receipts are hereby reappropriated to the Department of Public Welfare for current expenses at each such institution.

Moneys received by such federal grant fund need not be budgeted as such, provided transfers from such fund are budgeted for allotment purposes in the appropriate appropriations.

The Department of Public Welfare is authorized and directed to negotiate with the federal government, or any agency, bureau or department thereof, for the purpose of securing or obtaining any grants or aid in the construction of buildings, or the making of the improvements authorized by this act. The Commissioner of Administration shall have authority to approve, disapprove, modify, or amend any such request or budget before submitting it to the proper federal authority. When such federal au-
