Subd. 6. Student union fees. *The state college board may charge students in any state college a fee of not to exceed five dollars per school quarter for the purpose of acquiring, constructing, completing, remodeling, or equipping a student union at the college where the fee is collected, and for the purpose of providing for principal and interest and reserve requirements of revenue bonds issued by said board, in the event that such union is financed in whole or in part from the proceeds of any such bonds. The foregoing limitation on the amount of such fee is not intended to affect the obligation of the board under section 136.34 to establish fees and charges for student activities and student facilities sufficient at all times to meet bond principal and interest and reserve requirements. All student union fees shall be deposited in a student union subaccount of the capital expenditures account in the college board of the state of Minnesota revenue fund created by Minnesota Statutes, Section 136.35, and shall be used, with any private or public funds which are otherwise made available, solely for the payment of capital costs of a student union at the college where the fee is collected; except that if any part of the funds required for said purpose is provided from the proceeds of bonds issued by the board,*
